

Terms and Conditions of Use

The **CovReport** is a tool to generate sequencing coverage summary for diagnostic reports (hereinafter referred to as "**the Tool**"). Details about the Tool are available on <http://www.jdotsoft.com/CovReport.php> website page ("**the Website**"). The Tool and the Website are jointly referenced in this document as "**the Software**". You could use the Software as a guest ("**the User**").

The Software is developed and operated by the scientists of the Laboratory Marseille Medical Genetics, U1251, acting in the name and on behalf the Aix-Marseille University (AMU), the National Institute of Health and Medical Research (INSERM) and the Assistance Publique – Hôpitaux de Marseille (AP-HM), in collaboration with the JDotSoft collectively referred in this document as "**the Establishments**".

This document sets out the "**Terms and Conditions of Use**" under which the User may use the Software. By using the Software the User indicates that the User accepts these Terms and Conditions of Use and that the User agrees to abide by them.

The User must destroy all copies of the Software in the User's possession immediately and not to use the Website or download any content from it in the following cases:

- the User does not accept or terminate acceptance of the Terms and Conditions of Use
- the User does not comply with or breaches any provision of the Terms and Conditions of Use

1. Access to the Software

The Website is accessed via internet, the Tool is provided by internet download. The Establishments are not responsible for internet download failures. The Establishments may remove the download link or shutdown the Website without notifying the User.

The access to the Website is permitted on a temporary basis, and the Establishments reserve the right to withdraw or update the Website content. The Software could be updated without notice. The Establishments will not be liable for any reason in the event that the Website is unavailable at any time or for any period. From time to time, the Establishments may restrict access to some parts of the Website, or the entire Website.

Any copies of the Software should be complete copies including any copyright notices.

These Terms and Conditions of Use are not bound to any specific version of the Software. It covers future Software updates.

2. Prohibited Uses

You may use the Software only for lawful purposes. In particular:

- not to use it in any way that breaches any applicable local, national or international law or regulation;
- not to use it in a commercial purpose without obtaining a license with negotiated financial terms;
- not to use it in any way that is unlawful or fraudulent, or has any unlawful or fraudulent purpose or effect;
- not to use it for the purpose of harming or attempting to harm minors in any way;
- to transmit, or procure the sending of, any unsolicited or unauthorized advertising or promotional material or any other form of similar solicitation (spam);
- to knowingly transmit any data, send or upload any material that contains viruses, Trojan horses, worms, time-bombs, keystroke loggers, spyware, adware or any other harmful programs or similar computer code designed to adversely affect the operation of any computer software or hardware;
- to infringe the integrity of the Software by hacking, altering the information contained in it;
- not to reproduce, duplicate, modify, copy or re-sell any part of the Software in contravention of these terms;
- not to access without authority, interfere with, damage or disrupt
 - any part of the Website;
 - any equipment or network on which the Website is stored;
 - any software used in the provision of the Website;
 - any equipment or network or software owned by or used by any third party.

A breach of this article may constitute a criminal offence under the intellectual property code. For this purpose, the Establishments will report any such breach to the relevant law enforcement authorities and it will co-operate with those authorities by disclosing the User's identity to them. The User's right to use the Software will terminate immediately in the event of such a breach.

3. Intellectual Property

The Establishments are owners and licensees of all intellectual property rights of this Software and its content. Those works are protected by national and international laws. All such rights are reserved.

Subject always to the remaining provisions of this clause, you may copy, modify, distribute and generally re-use the content on this website, unless expressly stated otherwise.

The Establishments' status as the author(s) of content on the Software must always be acknowledged.

The User must not use any part of the Software for commercial purposes without obtaining a license to do so from the Establishments.

The User acknowledges that the Establishments are the owners of the Software and that the Establishments claim all intellectual and industrial property rights granted by law. The Establishments do not hereby grant any rights or ownership of the Software to the User or to any third party.

4. The Software changes and updates

The Establishments aim to update the Software regularly, and may change content at any time. If the need arises, the Establishments may suspend access to the Software, or close it indefinitely. Any data on the Software may be out of date at any given time, and the Establishments are under no obligation to update such data.

The Establishments are not required to provide maintenance or support.

The Establishments do not have an obligation to notify about new updates.

5. Establishments' Liability

The Establishments will make every effort to keep the Software to highest quality and standards. However, the Establishments impose the following limits on the Establishments' liability. To the extent permitted by law, the Establishments expressly exclude:

- all conditions, warranties and other terms which might otherwise be implied by statute or the law;
- any liability for any indirect or consequential loss or damage incurred by any user in connection with the use of the Software or in connection with the use, inability to use, or results of the use of the Software, any website linked to it and any materials posted on the Software website, whether caused by tort (including negligence), breach of contract or otherwise, even if foreseeable;
- any liability for loss of income or revenue, loss of business, loss of profits or contracts, loss of anticipated savings, loss of data, loss of goodwill or wasted management or office time, in each case whether direct or indirect and whether caused by tort (including negligence), breach of contract or otherwise, even if foreseeable;
- any liability related to the accuracy or correctness of the commentaries and other content published on the Website by the community are provided in the spirit of making the results of research freely available and are not intended to amount to advice on which reliance should be placed.

The User undertakes to make no claim in connection with the Software or in connection with the use of it against any employee, student, agent or appointee of the Establishments (except for claims in relation to fraud or willful misconduct).

Nothing in these Terms and Conditions of Use limits or excludes the Establishments liability for: death or personal injury resulting from its negligence; any fraud; or any other liability which, by law, cannot be limited or excluded.

If any provision of this clause is held to be invalid or unenforceable under any applicable statute or rule of law, then it shall be deemed to be omitted to the extent that it is invalid or unenforceable, and if as a result the Establishments becomes liable for any loss or damage which would otherwise have been excluded then such liability shall be subject to the remaining provisions of this clause.

No claims whatsoever can be made on the Establishments based on any expectation about the Software.

In no event will the Establishments be liable for any damages, including but not limited to any loss of revenue, profit, or data, however caused, directly or indirectly, by the Software or by these Terms and Conditions of Use.

The User accepts the Software "AS IS", with any errors or defects. The User is solely responsible for determining the suitability of the Software and accepts full responsibility and risks associated with the use of the Software.

In no event will the Establishments be liable for any third-party products the Software is used with or installed in. the Establishments do not warrant the compatibility of the Software with any third-party products, whether hardware or software.

THE Establishments MAKE NO EXPRESSED OR IMPLIED WARRANTY OF ANY KIND WITH RESPECT TO THE SOFTWARE, AND SPECIFICALLY DISCLAIMS THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

6. Linking to the Website

The User may link to the Website page in a way that is fair and legal and does not damage the Establishments reputation or take advantage of it. The User must not make a link with suggestion or any form of association, approval or endorsement on the Establishments part where none exists.

The Website must not be framed on any other website, nor may the User create a link to any part of the Website other than the home page. The Establishments reserve the right to withdraw linking permission without any notice. The website from which you are linking must have appropriate content standards.

If you wish to make use of any data on the website, other than set out above, please address your request to info@jdotsoft.com

7. Linking from the Website

Where the Website contains links to other websites and resources provided by third parties, these links are provided for your information only. The Establishments and scientists have no control over the content of those websites or resources, and accept no responsibility for them or for any loss or damage that may arise from your use of them.

8. Jurisdiction and Applicable Law

These Terms and Conditions of Use and any dispute or claim arising out of or in connection with them or their subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the French law. The French courts will have exclusive jurisdiction over any claim arising from, or related to a Software use.

9. Changes

The Establishments may revise these Terms and Conditions of Use at any time by amending this document. The User is expected to check this document from time to time to take notice of any changes the Establishments make: such changes are binding on User. Some of the provisions contained in these terms of use may also be superseded by provisions or notices published elsewhere on the Website.
